

Northwest Region
TES, SES and STW CLINICS 2010
Mt. Baker, WA
April 10 and 11, 2010

It is time for third installment of spring clinics at Mt. Baker. Patrollers have been asking for a Toboggan Enhancement Seminar in the spring instead of traveling to Mt. Hood in June. This year we will be holding a TES, a SES, and STW. These will be held at Mt. Baker on April 10 and 11, 2010. We are offering the TES on both Saturday and Sunday. This year the SES will be on Sat. the 10th and the STW will be on Sun. the 11th.

To attend the STW you need to be an S&T trainer and have recently taken an SES.
To attend the TES you need to be toboggan certified prior to attending.
The SES session is open to all patrollers on alpine skis or tele skis.

These clinics count for senior electives, so if you need one or two, here is your chance!

Check in will be at 8:30 AM at the Heather Meadows Patrol building.

There is no lodging at the ski area. If you have a camper or motorhome you can park in the upper parking lot. There is lodging down the mountain in Glacier, WA. Information can be found by looking at the Mt. Baker web site at mtbaker.us, click on travelers info.

We will have a Barbeque Saturday afternoon, please bring something to share. I will supply the meat and beverages.

TES = Toboggan Enhancement Seminar
SES = Ski Enhancement Seminar
STW = Ski Trainers Workshop

**Northwest Region
TES, SES, and STW Clinic 2010
Mt. Baker, WA
April 10 and 11, 2010**
